BY BIBLE BAPTIST

This past week the pastor and members of Bible Baptist Church here in Appomattox had as their special guests three Missionaries to Mexico and the Rev. H. W. Carey of Raleigh, N. C. in a Missions Conference. This was a first for the church. As these people embarked on perhaps the greatest step in Faith, they have ever encountered, the Lord blessed. The meeting moved on from night to night with the Missionaries challenging the people to have a burden for world wide missions. The Bible Baptist Church thought they were already giving much to Missions in the amount of 20% of all that came into their General Fund. However, on Friday night, when the meeting was closed, and the last Amen had been said, the members of Bible Baptist Church through the "Faith Promise Missions Plan" had trusted God to enable them to give in the coming year of $11,000 more to Missions than they normally give through the percentage plan. Also, the offerings for the week, Sunday night through Friday night, totaled over $1900.00. It was truly the greatest week in the history of Bible Baptist Church. The church also in addition to having a great Missions Conference voted to sent their pastor to the Holy Land in March of 1970. The members of the church will be rejoicing for many days to come over the victories of this past week. The pastor of the church, Rev. Earnie Lucas, wishes to convey his sincere appreciation to our many friends and neighbors in the area who supported the meeting with their prayers and attendance, and also to Mr. James Hall who invited the Missionaries to his Spanish Speaking Classes at the High School and for their good time of fellowship with the students.

### ADVENTIST CHURCH

Sabbath School Lesson 3 for October 18, 1969
Subject: Searching the Scriptures
Memory Verse: "These were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and searched the Scriptures daily, whether those things were so. Acts 7:11.
Study Aim: To discover helpful methods of Bible reading and study that will bring the most spiritual benefits into the personal life and experience.
Lesson Outline: Phase 1. Adequacy of Biblical Revelation. Q1. A complete spiritual food, Deut. 8:3 (last part), Matt. 4:4, Q2. One part supports another, Dan. 9:2. Phase 2. Approaching the Sacred Test. Q3. With a prayer for guidance, 1 Sam. 23:1-5, Q4. With a deep longing to understand. Ps. 119: 18-20, Q5. With a willingness to share. Isa. 21:11, 12, Q6. With the spirit of obedience. I Kings 22:14, Q7. A grave danger. Prov. 16:25. Phase 111. Methods for Bible Reading. Q8. Telescopic Deut. 31:10-13. 11: 18-21. Q9. Microscopic Acts. 6:26-38, Q10. Daily, diligent Bible reading. Acts 17:11, Q11 Compare Scripture with Scripture. I Cor. 2:9-3, Phase 4. Key to the Kingdom. Q12. The key is the Word itself, Matt. 16:15, Q13. Misuse of the Key. 2 Peter 3:16 (last part.)
Lesson Summary: "We must come with a humble and teachable spirit to obtain knowledge from the great I Am. Otherwise, evil angels will so blind our minds and harden our hearts that we shall not be impressed by the truth." Grant controversy. P 599. "The Bible contains all the principles that men need to understand in order to be fitted either for this life or for the life to come. And these principles may be understood by all." Education, p 123.
Daniel searched the portion of the Old Testament which he had at his command, and made the World of God his highest instructor, Christian Education p. 358. When David needed special guidance he went to God in prayer and asked him to open his eyes to behold wonderous things out of His law. Christ simply bestowed upon Peter and all the disciples the authority and power to bring men into the kingdom, and same maybe said of all Christ's followers to the very close of time. The Word of God is the key to the new-birth experience (1 Peter 1:23) May we take the noble Bereans, as our example and study our Bibles daily and know for ourselves what God requires of us.
Sabbath School - 9:30 a.m.

## Holiday Cards Featured McLeans

Little Lula McLean sitting under a Christmas tree in the McLean parlor and the McLean House in a snowy December have been sketched by Hazel Harvey (Mrs. T. C.) and printed on Christmas cards.

Mrs. Harvey's cards last year were ordered from as far away as the Holy Land; other orders coming from Canada and various parts of the United States. Persons seeking a holiday card with a unique touch of Appomattox history may care to look these over.

## Outing In Hay Loft

That "Halloween Cat" named "Snoopy" has only gray markings instead of the traditional black fur, but the Halloween outing was full of pumpkins, streamers and stacks of "sloppy Joe" sandwiches as the Young Adult Training Union of Evergreen Baptist Church met in the James Paulette barn lot for a Saturday night outing. A parade of bicycles started out early from Evergreen with 12 successful cyclists finishing the trip to the Paulettes.

A scavenger hunt, dinner and song fest were enjoyed by the church pastor, Rev. V. L. Hudson, daughter, Lynette; hosts, Mr. and Mrs. James Paulette and family; Mr. and Mrs. "Shine" Franklin and daughter, Paula; Mr. and Mrs. Bill Shorter and family; Mr. and Mrs. Kenneth St. John and James Lee; Mr. and Mrs. David Garrette and family, Mrs. David Phillips and family.

tone up...trim down
NEW AND EASY WAY, WHILE YOU WORK OR PLAY
Tone-O-Matic
SCIENTIFICALLY WEIGHTED BELT
for men and women

If you lack the time or will power for regularly scheduled exercises, don't despair . . . here is your answer. Just wrap a Tone-O-Matic around your waist and go about your business, pleasure or favorite sport. Now the belt does the work, causing saggy stomach muscles to resist the weight and firm up in the process. Firm toned-up muscles replace flab and usually result in inches off the waist line.
All you have to do is wear it . . . no fuss . . . no strain — you are exercising in your own everyday movements. Wear it either under or over your clothing.

It's wonderful for the ladies too. Wear the Tone-O-Matic during your regular activities of housework, gardening, shopping or just walking around. Double the effectiveness of sports or regular exercise sessions. It works while you play . . . all you have to do is wear it.

Made of textured vinyl with separated pockets of miniature lead pellets. Modern Velcro "can't stop" fasteners make it easy to put on and take off, and allow for 5 inches adjustment as your waistline varies.
Men's belts are 10-pound, black in 3 sizes — Small (31" - 35"), Medium (35" - 39") and Large (39" - 44").
Women's belts are 8-pound, white in two sizes — Extra Small (25" - 30") and Small (30" - 34").

The 24-hour electric watch.

Everett Allen is one of the men at Vepco who make sure the supply of electricity meets the demand.

When you pour the coffee at breakfast, vacuum a rug in the afternoon, switch on a light at night, electricity is there. And since electricity can't be stored away, men like Everett must be on the watch 24 hours a day at Vepco's ten gigantic power plants.

It's hard work, involving millions of dollars worth of complex equipment. And the hours drag out at three in the morning. But the Everett Allens at Vepco get a lot of satisfaction knowing their electricity is always ready to lighten your tasks and brighten your world.
